

Graduate Entry - Relevant Science Degrees

We require a minimum of a **2:1 Honours** degree or equivalent.

For healthcare profession degrees, please make sure you have the 4 years Honours degree. We will not be able to accept the 3 year ordinary degree. We will not be able to accept 'top up' degrees or work experience in lieu of having the Honours degree.

Depending on your degree, you may need additional Chemistry or Biology qualifications. More information can be found here: <https://www.gla.ac.uk/undergraduate/degrees/medicine/#graduateentry>.

*If your degree is older than 7 years at point of entry, you will need additional Chemistry and Biology qualifications even if the chart says No.

Please note, this list is not exhaustive. If your degree qualification isn't listed or you are unsure if your degree has enough Chemistry and Biology in it, please contact our Admissions Team: med-sch-admissions@glasgow.ac.uk.

Degree Name	Additional Chemistry Required*	Additional Biology Required*
Aeronautical Engineering	Yes	Yes
Anatomy	No	No
Animal Science	Yes	Yes
Applied Biological / Bio / Biomedical Sciences	No	No
Applied Sports Science	No	No
Biochemical Engineering	No	No
Biochemistry	No	No
Biology	No	No
Biomedical Engineering	No	No
Biomedical Science	No	No
Biotechnology	No	No
Chemical Engineering	No	No
Chemistry	No	No
Clinical Sciences	No	No
Diagnostic Imaging	No	No
Dietics	No	No
Environmental Science	No BUT we strongly recommend that you revisit recent Higher/A Level curricula prior to commencing to ensure you are up to date.	
Exercise and Sport Science	No	No
Forensic Anthropology	No	No
Forensic Biology and Psychology	No	No
Genetics	No	No
Herbal Medicine	Yes	No
Human and Medical Sciences	No	No
Human Biology	No	No
Human Biosciences	No	No
Immunology	No	No
Medical Biochemistry	No	No
Medical Physiology	No	No
Medical Sciences	No	No
Midwifery	No	No

Molecular and Cellular Biology	No	No
Natural Sciences	No	No
Neuroscience	No	No
Nursing	No	No
Optometry	No	No
Osteopathy	No	No
Paramedic Practice / Paramedic Science	No	No
Pharmaceutical Science	No	No
Pharmacology	No	No
Physics	Please send copy of official academic transcripts for review	
Physiology	No	No
Podiatry	No	No
Prosthetics & Orthotics	No BUT we strongly recommend that you revisit recent Higher/A Level curricula prior to commencing to ensure you are up to date.	
Psychology	Yes	Yes
Radiography	Yes	No
Speech & Language Pathology	Yes	Yes
Sports Biomedicine & Nutrition	No	No
Stratified Medicine	No	No
Tropical Disease Biology	No	No
Veterinary Biosciences	No	No
Virology	No	No
Zoology	Yes	No
