WHAT TO DO

Before the fair

Do some basic research on the employers and prepare questions to ask in person.

Tip: Visit employers' social media profiles and websites to get a better understanding of what they do.

At the fair

Chat with the employers you're most interested in to learn more about their opportunities.

The employers will be coming to speak to you, so don't be shy!

Show you've done your homework and want to learn more about their work and how to be a part of it.
