## Benefits of engaging with Research Support when submitting a fellowship proposal

Have you contacted your Project Coordinator (PC) to discuss finances?

Have you completed and submitted your LKAS application on time with Business Development (BD) team help?

Do you have letters of support (LoS) and School approval?

**Benefit** 

Benefit

**Benefit** 

PCs can review funder T&Cs to maximise budget, look over the Case for Support/justification of resources and provide guidance. Delays to the application are avoided.

Support for LKAS application provided (through BD team) and candidate wins supporting funding.

Candidate is more attractive to win fellowship funding.

PCs coordinate LoS to allow HoS/HoC to understand project/request. Allows fellowship application to be submitted before deadline with all supporting documents.
